

## **TREBLAB E3 (2020) - Active Noise Cancelling Headphones, Bluetooth 5.0 | 50H Battery Life w/Type-C | Over Ear Bluetooth Headphones with Microphone for Work, Travel, Sport (Black)**

Check out **TREBLAB E3** main features below -

- **One-Tough Active Noise Cancellation** - The Treblab E3 Active Noise Cancelling headphones encapsulate you in the sound you want to hear and completely block all the noise. From the loudest public places to the quiet of your study, Treblab E3 ANC headphones can intensify your listening experience with the push of a button.
- **50H Battery Life, 1H Charge Time** - These Bluetooth Over-Ear headphones have an extended 900mAh battery capacity that you can rely on day or night. With a full-capacity battery, you can listen to music, take important phone calls, and watch TV uninterrupted for over 50 hours. The ultra quick Type-C charge port means you get 10 hours of play on a 5-minute charge.
- **Surround Sound For Conversations And Music** - These bass headphones ensure crystal-clear sound quality. The stable connection of the Bluetooth 5.0 feature on these surround sound headphones makes sure you never miss a word of your conversation or the best part of your favorite song. E3 wireless headphones over ear can easily pair with your Apple or Android phone or any other Bluetooth devices.
- **Make A Statement With Style And Comfort** - Weighing in at only 270g, these comfortable Bluetooth headphones over-ear make their presence heard not felt. The premium, soft materials of the headband and earpads press gently against your ears making them almost unnoticeable on long trips. Use the swivel-cup earpads to pack the headphones in their carrying case, included with every pair.
- **Help Everywhere You Go With Voice Assistants** - Having wireless headphones with a microphone is like having an office wherever you go. Sync them with your iPhone or Android device so you can talk to voice assistants like Siri, Bixby and Google Assistant. The hands-free design of these Bluetooth headphones with mic ensures that you can take important work calls anywhere or chat with friends when you're making dinner.

### **Key Features**

- **CANCEL NOISE WITH THE PUSH OF A BUTTON** - Treblab E3 wireless headphones w/ Bluetooth use active noise cancelling technology to keep out noise with the push of a button.
